NEW ERA HORIZON TRUST - The Voice of Community - is a non-profit, self-funded organization that stems from the idea of revolutionizing the status of deprived in India. It was started as a movement in 2008 by a group of resilient people, who were instigated by the condition of poor women and children living in community. The NGO aims to help deprived sections of society ignite the fire within them by being their voice of change.

New Era Horison Trust (NWHT) is an independent, non-governmental and non-profitable social organization established by a group of like-minded youths with experiences in different sectors to promote youth capacity development and provide opportunities to youths. It is registered with Delhi Sub-Register Office as non-for-profit social organization with the registration number is 194/2015 it is also affiliated with NITI AAYOG with the affiliation number DL/2023/0348182. New Era Horison Trust (NWHT) is involved in different areas of work such as youth professionalism, youth development and capacity building, health, education, research, environment & Climate Change, youth and women empowerment and Social and Economic Advancement. We promote and secure vulnerable and marginalized youths through development of professionalism and providing them with opportunities and make them initiative & capable with result-oriented research & programmes.

Table of Contents.

Mission

To make today's young future leader, promote young generation & professional quality, ensure sustainable and build up inclusive social development for improved quality of life for all.

Aim

Our main aim is to provide youth professional skill, development and learning opportunity for poor and excluded society generation focus to strengthen them. We plan to achieve our aim by Page | 4 developing, testing and delivering evidence-based, feasible and cost-effective intervention relating to professional and social development with greater involvement of youth Programme, and communities. We support the government initiative aimed at poverty reduction in line with the sustainable development goals and targets.

Organization's Objectives

NON-GOVERNMENTAL ORGANISATION (NGO)

Characteristics of NGOs

The main objective is to contribute young generation professional development, implementation and scale up of evidence-based and cost-effective intervention in young professional and social sector. The specific objectives are:

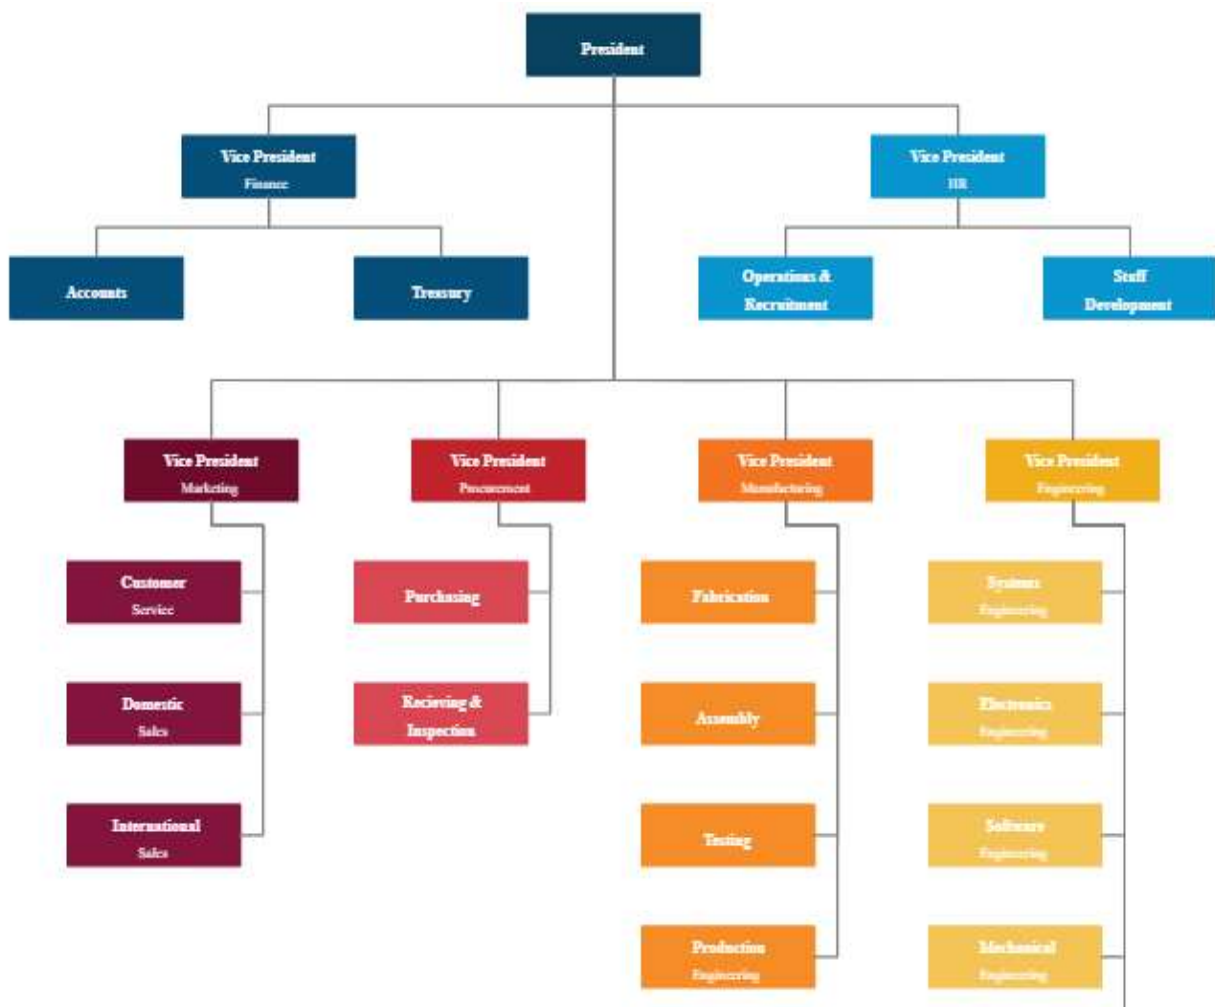

- ❖ To gain a greater understanding of professional development issues and explore possible solutions through quality research and development keeping the focus on youths;
- ❖ To promote quality research and research communications towards development of evidence-based policy and practice in the field of youth;
- ❖ To review and analyze the policies and programmes effectiveness at local, and national level and understand their implications in professional services and social development;
- ❖ To ensure functional linkage and collaboration among policy makers, Programme managers, researchers, social scientists, and institutions with similar objectives with a view to the institutionalization of Programme-based operational research in youth programmes;
- ❖ To enhance access to information on young generation and social development sector to policy makers and practitioners;
- ❖ To involve youths in the field of health, education, environment and economic activities and programs
- ❖ To support government initiative in the field of youth involvement, youth development and youth related policies

NON-GOVERNMENTAL ORGANISATION (NGO)

NGOs Work for a Wide Range Of Causes

Organization Structure

Accounts & Finances

To run the organization in a transparent manner and ensure full accountability, a transparent and accountable financial management system is adopted by the organization both in the offices and at community levels for all activities. NEW ERA HORIZON TRUST's accounts can be audited on annual basis through a chartered accountant authorized by law.

The Board authorizes joint bank account signatories for its financial transactions. Separate bank accounts are opened and statements can be prepared for various projects will be funding by different donors. Legal requirements and the contractual obligations are addressed for all funds the NGO receives.

Working Sectors

- ❖ Community Development/ Livelihood/Social Mobilization
- ❖ Emergency Response (Relief, Protection, WASH, Education)
- ❖ Environment & Natural Resource Management
- ❖ Women and Youth Empowerment
- ❖ Food Governance & Rule of Law
- ❖ Peace Building and Conflict Resolution
- ❖ Education (Formal/Non Formal/Vocational Trainings & Skill Development)
- ❖ Agriculture and Food Security

Future Plans

NEW ERA HORIZON TRUST's plans to continue a slow and steady journey towards its destination without compromising on basic principles of its strategy and approach. The organization plans to decrease dependence on external support of donors and give more emphasis on its advocacy ventures to empower local communities. Expansion to other areas has been and will remain a gradual phenomenon by replication of tested models of participatory development. Networking with other organizations is the major line of direction for the future

NON-GOVERNMENTAL ORGANISATION (NGO)

Definition of NGO
